# CAN YOU HEAR ME?

*A song incorporating sign language*

Sold to KAPFERER Karen by J. W Pepper & Son, Inc.

*Composer's Note*

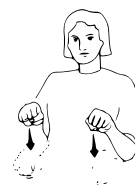

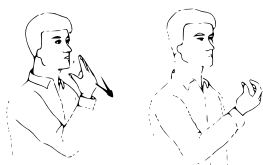

I wrote this piece to include sign language, as I have always found it to be an incredibly sensitive and beautiful form of communication—it also served as a reminder to me always to try to be open and aware of other people, and also of our surroundings. The three short choruses can be signed where marked.
